Chief Electrical Inspector to Government,
Thiru.Vi.Ka Industrial Estate,
Guindy, Chennai-600 032.

To

M/s Eltel Industries,
No:311, Embassy Center,
Crescent Road,
Bengaluru - 560 001.

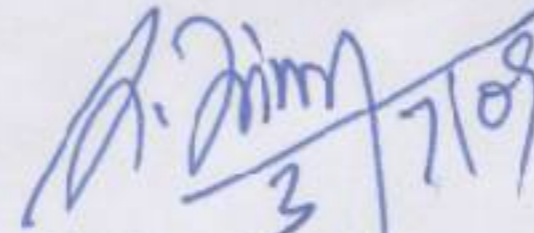

Letter no: 526/CEIG/EI/Tech/2009 Dated: 30/06/2009

Sir,

Sub: Electricity - Government Electrical Standards Laboratory - Performance report
of Automatic CT Test Kit System - Regarding

Ref: Your letter no: ETL/GEN/2009 dated: 25.06.2009

The Automatic Current Transformer test kit system was installed at the Government Electrical Standards Laboratory attached to this office on 19.08.2008. The CT test kit system was utilized for testing current transformers of various private utilities and those referred by the Honourable High Court or Sub-Courts of Tamilnadu. We confirm that the performance of the Automatic CT test system was found satisfactory for the past one year.
